

Checklist for Virtual Tests

****Do not send unless the following is done/checked. Your test will get rejected****

1. No more than 8 skaters on the ice. This includes along the boards.
2. Is the video recorded in landscape mode?
3. Was the video recorded within 14 days of submission deadline? (our deadline is every Thursday at 9pm)
4. Is the video clear and not grainy when opened in full screen?
5. Can you see the entire skater while testing the entire video? If feet are cut off, even for a second while testing do not send.
6. Did anyone at any time of the testing, skate in front of the skater? If so, do not send.
7. Did you record from the point of view of where the judges would be seated if they were there in person? Do not skate with the skater or be moving around during the video.
8. Was your skater introduced with the test name, the club's name, and the time and date?
9. Was the date and time clearly shown? Clear and enough time to read it. Make sure the month **and** date are shown.
10. Is your video labeled with the skater's name and the test they are taking?
11. Is your affidavit filled out completely? Do you have a separate affidavit for each test?
